## COLLEGE OF NURSING

*Educating Nurses Since 1894*

**Bachelor of Science in Nursing (BSN)  
Degree Program**

**2-Year Institution for  
College Juniors & Seniors**

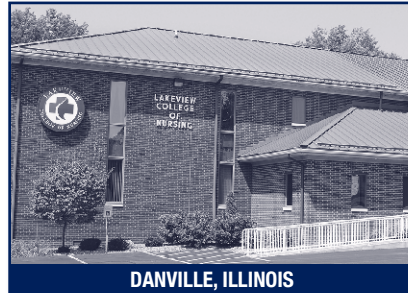

### History - Mission - Vision

Our institution has a tradition of excellence in nursing education that spans more than 100 years. Since 1894 we have been devoted solely to the education of nurses. As a single-purpose institution of higher learning we have granted baccalaureate degrees in nursing since 1990.

Lakeview College of Nursing has a central focus to be a dynamic center of educational excellence where the entire College community works together with integrity and cares for others. The College will be forefront to the trends in health care and committed to improving nursing as a profession by preparing competent, safe, caring, professional nurses for leadership roles in the health care community.

Lakeview College of Nursing aspires to be the College of choice for professional nursing in Illinois and recognized nationally for nursing excellence.

### Locations

DANVILLE, ILLINOIS

The **LAKEVIEW COLLEGE OF NURSING FACILITY IN DANVILLE** offers all amenities under one roof: classrooms equipped with the latest technology, a recently renovated nursing skills lab, a modern chemistry laboratory, a learning resource center, a state-of-the-art computer lab, several faculty/staff offices, quiet study areas, and a student lounge and conference room. Additionally, the College has an auxiliary clinic building within steps of the main structure that is available for additional lab/clinical and tutoring space.

### Hi-Tech Nursing Labs

Lakeview College of Nursing utilizes life-sized, adult, infant and pediatric human patient simulators. The mannequins will blink, speak, and breathe, have a heartbeat and a pulse. They respond to procedures such as CPR, intravenous medications, intubation, ventilation, and catheterization. These high-tech simulators, manufactured by Medical Education Technologies, provide students with a true-to-life experience while in a lab setting.
